

SHORT TERM LICENSURE APPLICATION

Current February 2007

Note: This is a *sample* application for short term medical practice licensure by Gansu and Qinghai Provinces. It is something that all of our physicians must complete, and should be sent to GANSU, INC for transmittal to the respective Health Bureaus prior to the time of departure of each individual physician. **Please reproduce the letter below on your office letterhead;** include the proper dates where indicated; individualize the statement concerning the province where you will serve, and the documents you are submitting (**Note:** if this is your first time with GANSU, INC in China then you can state “included with this application are the documents to support my application”, but if this is the second or greater time you have applied for this short term license, then it would be appropriate to state, “you have the documents on hand to support this application”); add your signature block; and mail this application, along with a copy of the following documents: **MD diploma, Residency diploma, American Board of Ophthalmology diploma,** to GANSU, INC by 1 April of the year in which you are going to serve with GANSU, INC. Obviously, you **don’t** need to send the above document copies again if you have sent them to us before. The application will then be taken, by the first team going to China, to the Public Health Bureau of the respective province, and the short term license will be awaiting you when you arrive in China.
